Important information about your life insurance policy

Life insurance is a critical part of a broader financial plan. There are many options available, and you have the right to shop around and seek advice from different financial advisers in order to find the options best suited to your needs.

You are encouraged to consider the following possible alternatives to requesting a surrender of your life insurance policy, requesting accelerated death benefits under your life insurance policy, or selling the ownership of your policy. These alternatives include, but are not limited to:

- Accelerated Death Benefit: Your policy may provide an early or accelerated discounted benefit payment if you have a terminal or chronic illness.
- Cash Surrender: Your policy may have a cash surrender value that your life insurer would pay you if you cancel it.
- **Gift:** You may be able to gift your policy to your beneficiary, who would then assume responsibility for paying premiums.
- **Life Settlement:** You may be able to sell your life insurance policy to a third party. Once sold, you would pay no further premiums. The third party would become the policyholder and would receive the benefit upon the insured's death.
- **Maintain Your Policy:** You may be able to maintain your life insurance policy inforce by paying the premiums directly or using your current policy values to pay the premiums.
- **Policy Changes:** You may be able to reduce or eliminate future premium payments by obtaining a paid-up policy, by reducing optional coverages, or through other options available from your life insurer.
- **Policy Loan:** You may be able to take out a loan from your life insurance company using the cash value of your policy as collateral. Loan proceeds can be used to pay the premiums or for other purposes.
- **Third-Party Loan:** You may be able to get a loan from another party to pay your policy's premiums. In return, the lender may require an assignment of a portion or all of the policy's death benefits.

These options may or may not be available depending on your circumstances and the terms of your life insurance policy. Please see your policy or contact your life insurance company, financial advisor, insurance producer to determine your particular options.

If you're a Florida state resident and have questions about life insurance and your rights, contact the Florida Office of Insurance Regulation at 1-850-413-3140, or go to www.floir.com. Ask questions if you don't understand your policy.
